## The Story of Mid

Mid Bennett, my father's office girl for much of his 52 years of practice in Jasonville, will be 102 in August. A couple of weeks ago I received a phone call from her caregiver, Phyllis. She and Mid had been working to make plarn for our mats for the homeless and wanted to know when she might deliver it. We arranged a time for her to bring it to my house a few days later. When she arrived I went out to the porch to welcome her as she brought a huge black Rural King leaf bag and another smaller white bag to me. Upon thanking her, she said "Oh, no! There is more" She returned to my porch with another identical burden! While visiting with her I learned that Phyllis lives in Linton. When she would arrive in the mornings, Mid would tell her,

**"We are going to roll balls of plarn for the veterans today."**

Mid has always loved to make things for people. Her famous angel food cakes and bucket pickles are well known to many. But this gift has really touched my heart. All I did was tell her about our church outreach project and the next thing I know, here is all this beautiful plarn all ready for our group to use. And she has had a way to be useful, no matter her age. This was truly where I saw God that day!

Blessings,  
Mary Jo Brown

## 28<sup>h</sup> Annual Jonah Fish Fry Friday, September 6<sup>th</sup>

There will be a meeting on Wednesday, June 26<sup>th</sup> at 6 pm. in the classroom near the kitchen for those interested in volunteering. There will be only one planning meeting for this event; we've had this fundraiser for so many years we already have all of the records of what is needed. The meeting is to discuss details for this year's event and check what supplies remain from last year.

The committee currently needs a Treasurer which involves counting the money (along with another person) after the fish fry, completing the Event/Fundraising Report sheet, preparing and dropping the deposit the night of the event. It would be great if a Sunday morning Counter, who is already well-versed in the financial procedure, would be willing to serve as the fish fry Treasurer. If you're interested in serving please let me know.

This popular event always brings lots of people from the community in to see our beautiful church and to meet members/friends here at Central Christian working side by side that night. It also provides financial support for the ministries here at Central.

Thank you in advance for your support of this fun event in the life of our church.

## Happy Summer!!

The **Koinonia Fellowship** ministry has been focusing on the interests of our congregation. We sent out an interest inventory and although there are still people who have not yet turned one in, the results have been fantastic. We seem to be a congregation that wants to “do stuff”!

Before I share the results, I want to thank those who volunteered to plan specific events, or simply said, “Call me if you need help.” We will be able to offer many more opportunities if we have more people willing to gather information and plan events.

I also want to thank those who took advantage of the “other” lines. We have received many interesting ideas and I hope we can implement some of them as well.

In addition to wanting to “do stuff” we love to eat. After I sorted the results by the number of responses, having a cookout took the top spot with 26 interested people. Sharon Crist offered to host a cookout, so we will be getting in touch with her soon!

The second most voted for event was Miniature Golf. We will talk with Bogey’s and get pricing information out to you soon.

Other events scoring 20+ people interested include: Game Night, Art Museums, and Backyard Movies.

These items scored a 15-19 as far as interested persons: St. Louis Zoo, Hiking Trails, Music Concerts, Bowling, Drive-in Movies, Museums, Rex/ISU games, Holiday World, \$5 Tuesday Movies, Community Theater, Card Games, and Canoe/Tubing trips.

As you can see, many of these items are better suited to summer weather while others can be done when the weather is not as pleasant. There will have to be some discussion as to when to plan these events.

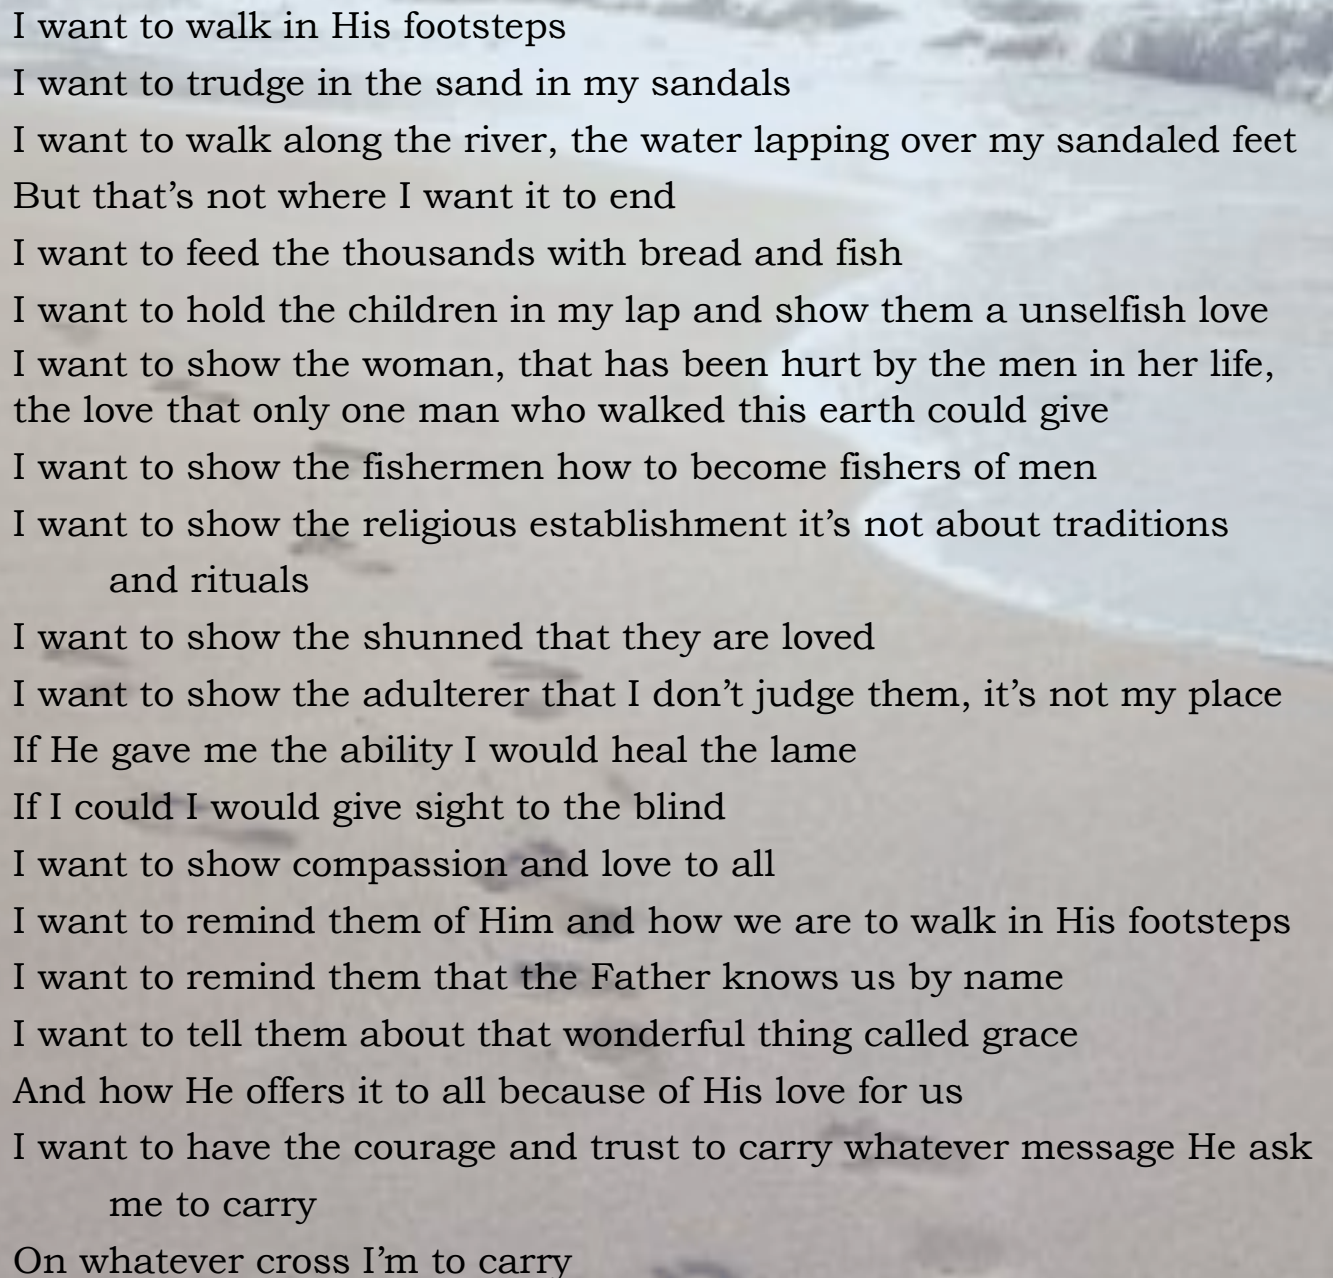

Camping, which is something I had planned to plan for this summer scored a 14. I know some are interested in hiking and fishing etc. and most of those things can all take place at the ISU Outdoor Center. I will do some additional research and talk with some other people to see where we can get the most “bang for our buck.”

Needless to say, this summer looks to be filled with fun opportunities. Please don’t think that if something you wrote down, or really wanted to do didn’t score high, that we won’t consider trying to make that happen.

Thank you to everyone who took the time to fill out and return our Interest Survey. We will do our best to be diligent and use this information. Stay tuned to the Clarion and weekly emails. If you do not get the weekly emails, be sure to watch the bulletin and have someone who does get the emails keep you up to date!

I want to walk in His footsteps  
I want to trudge in the sand in my sandals  
I want to walk along the river, the water lapping over my sandaled feet  
But that's not where I want it to end  
I want to feed the thousands with bread and fish  
I want to hold the children in my lap and show them a unselfish love  
I want to show the woman, that has been hurt by the men in her life,  
the love that only one man who walked this earth could give  
I want to show the fishermen how to become fishers of men  
I want to show the religious establishment it's not about traditions  
and rituals  
I want to show the shunned that they are loved  
I want to show the adulterer that I don't judge them, it's not my place  
If He gave me the ability I would heal the lame  
If I could I would give sight to the blind  
I want to show compassion and love to all  
I want to remind them of Him and how we are to walk in His footsteps  
I want to remind them that the Father knows us by name  
I want to tell them about that wonderful thing called grace  
And how He offers it to all because of His love for us  
I want to have the courage and trust to carry whatever message He ask  
me to carry  
On whatever cross I'm to carry

- Kim Faught

**T**here are times when a member of the congregation feels the need to talk over an issue, ask a question, or could just use a good heart to heart talk with someone in the church.

As Rev. Rebecca cannot always respond to every need that arises, and as we all prepare for her upcoming sabbatical, Elders want members to know that they are available. As followers of Christ, the Elders want to extend his love and compassion.

Confidentiality will be respected.

# GOD SQUAD SPOTLIGHT

Hi. My name is Amanda McColl. I was born in Silver City, New Mexico and then moved, when I was 8 months old to Sault Ste. Marie, Michigan. My mom, Andrea, and dad, David, and I moved to Terre Haute, in 2014.

My family is several generations DOC and so we came to Central Christian Church.

Until recently, I was a girl scout and three years ago I joined the International Order of the Rainbow for Girls. I attended the Linton Assembly and have just recently help start an assembly in Terre Haute. Rainbow Girls is a service organization and I am very involved with many service projects for my community. Last July I became a state officer and have spent the past year traveling the state working with this organization.

I am an Honor Roll student at Northeast Middle School in Shelburn, Indiana. I will be a freshman this fall at North Central High School in Farmersburg, Indiana, where I live. I will be playing flute in the high school band. I love to read and draw and play with my cat, Missy.
